

Send Pope Francis a Jubilee Petition for Our Mother!

Join Catholic brothers and sisters throughout the world during this 2025 Jubilee Year by sending our Holy Father a brief petition letter, **asking him to solemnly define Mary's unique role with Jesus in the historic accomplishment of Redemption.**

By bringing Jesus Christ, our Divine Redeemer, into the world by her "yes" at the Annunciation; by suffering with Him at the foot of the cross; and by mothering the entire plan of Redemption throughout her earthly life, Our Lady's role as the human Co-redemptrix with Jesus deserves to be solemnly recognized and proclaimed. It is due to her unique role in the Redemption, that Mary consequently becomes the Spiritual Mother of all humanity, given to us by the crucified Lord directly in the words, "Behold your Mother" (Jn. 19:27).

During this great year of Jubilee, send a brief petition to our Holy Father, *asking him to solemnly define the great role of Our Lady in the historic work of Redemption.* You can either write your own brief petition letter, or download the sample petition below, adding any personal message you wish to add.

Please show your love and gratitude to Our Lady by sending a petition to our Holy Father today!
